

School Sports Premium Information

The Government is providing £150 million per year, directly to schools to spend on improving the quality of sport and PE for all their children. The funding is ring-fenced and can be spent only on PE and sport provision in schools. Each school receives a lump sum of £8000 plus a premium of £5 per pupil for those children in Years 1-5. At James Calvert Spence College we received £8,860 in 2014-2015.

Sport Premium Sustainability

Wherever possible the PE and Sport Premium is used to create sustainable improvements in PE and School Sport by:

- Upskilling Staff
 - opportunities to develop staff skills, knowledge and confidence which will impact on future cohorts of children
- Community Links
 - creating meaningful links between the schools and community clubs where coaches deliver in schools, children are taken to the club for School Games competitions or children are supported to transition into community sport
- Health & Well-Being
 - the development of Sports Leaders, School Sport Organising Crews and the provision of alternative activities such as skipping and hula-hooping have increased physical activity in school playgrounds. Trained leaders and teachers have created sustainability for the future
- Partnership working
 - Thirteen Ashington and Coquet School Sport Partnership schools working together has built a strong, sustainable network where ideas are shared, support is offered and schools collaborate to offer their pupils the best opportunities they can.

Some of the activities, programmes and support we are able to provide with the Sport Premium would not be sustainable without further funding or passing on the costs to the pupils.

Sports Premium Expenditure and Impact in 2014-15

Expenditure	Amount
Employing a specialist Dance teacher	£3875
Training for climbing wall	£300
Transport to competitions and festivals	£2709
Purchasing PE equipment	£1193.13
Additional playtime equipment	£1051.12
To provide focussed physical intervention programmes	£100
TOTAL	£9228.25

2014/15 - funding received: £8,860

At JCSC we used this money to enrich the PE provision and increase pupils' participation in school sport in a number of different ways. We are raising the pupils' achievement in athletics, for example by purchasing new and updated PE equipment. We have also purchased new goal posts which has seen the number of students participating in extra-curricular football increase. Students have also been participating in interschool competitions with many successes including:

- Year 6 students won the Ashington round of sports hall athletics;
- Bobby Stone and Rhiannon Hedley won the area cross country;
- The quad athletics team won the level 2 competition and
- Year 5 boys won the level 2 football competition against the Ashington schools.

We have also contributed to the acquisition of a climbing wall and JCSC is one of the only schools in the area to have such facilities. We are also investing in staff subject specific training in a variety of disciplines to ensure they are up to date and engaging the pupils they teach - for example staff have received specialist training on the climbing wall. We are employing outside coaches in areas such as professional dance and the boys dance group competed in a national competition. Additional funding has also been spent on playground markings and playground games so students can engage with physical activity during lunch and break times. We are evidencing the impact and accountability of this funding in a working document supported by the CFBT (Centre for British Teachers) and Association for Physical Education.

Should you require more specific information of how this funding is provided, please contact the subject leader of PE.

The above provisions have had an overall positive impact with 71% of students making 2 or more levels of progress in PE versus their KS1 data 71% students made 2L+ progress versus KS1 data.

Progress in our Primary phase

77% of students were assessed as being below expected progress upon arrival at JCSC into Y5 (expected progress to be at least 3 sublevels from KS1)

From Y5 entry assessment data:

86% students made at least expected progress (3 sub-levels) at end of Yr6

65% students made more than expected progress (4 sub-levels)

41% students made 5 sub-levels progress.

31% students have made 6 sub-levels of progress.

Progress over Year 6

87% students have made expected progress in Year 6 (T1 to T6 data).

39% students have made more than expected progress in Year 6.

Sports Premium Expenditure and Impact in 2015-16

2015/16 – funding received: £8,980

In addition to continuing to develop those areas identified in 2014-2015, the funding this academic year will also be used to deploy leaders to run a range of lunchtime activities and provide training for TA's to facilitate lunchtime activities. We will be focusing on supporting the running of a range of different sports clubs and increase after school sport provision.

Expenditure	Amount	Impact to date
To support the running of a range of different sports clubs	£1000	Netball, rugby and football have been extremely successful. Children who attend the clubs are showing great commitment and responsibility. There is an increase in the number of children attending clubs. Children are developing necessary skills that can be applied to other sports. Children have participated in several partnership football tournaments which have been positive experiences and show the skills they have developed.
Training-lunchtime supervisors –students to deliver activities	£300	This has had a positive impact on behaviour at lunch/break times and lessons. There has been a 67% reduction in behavioural issues at break/lunchtimes. We have seen a decrease of 72% in 'failure to keep hands feet and comments to themselves'

Transport to competitions and festivals	£1350	Year 6 football league for boys, they played 6 matches and won every game. 12 boys. Year 6 tag rugby mixed, came 2nd. 12 pupils. Year 6 sports hall athletics mixed. Won against the Ashington schools and came 3rd in the County competition. 20 pupils. Year 6 Area cross country, mixed. 7 girls and 9 boys. Fay Archbold came 10th and Calum Rowell came 4th. Year 6 netball v Lindisfarne, girls. Played twice and lost both times. Year 6 netball tournament v Ashington schools. Came 3rd 6 girls. Year 6 Area athletics coming up next week 6 girls and 6 boys competing. Quad athletics Year 6 competing against Ashington schools, 5 girls and 5 boys.
Gateway Dance studio	£6000	Improved parental engagement, leadership skills as this encouraged students to be team leaders and organise events. This has hugely raised aspirations – evident in the PASS survey results
TOTAL	£8650	

Sports Premium Expenditure and Impact in 2016-17

2016/17 – funding received: £7,174

In addition to continuing to develop those areas identified in 2015-2016, the funding this academic year will also be used to further increase the opportunities for all our students in sport, regardless of ability, and try to achieve this by creating a unique personalised curriculum for them all. To help to achieve this we aim to;

- provide opportunities for pupils to develop leadership skills, learning to support each other, to plan, organise, manage and evaluate their own and others' work
- continue to use student voice to listen to learners and to provide some extra curricular clubs based on their suggestions, and add to our range of clubs on offer
- continue to promote the importance of taking part in physical activity as part of a healthy lifestyle
- develop a KS2 Health and Wellbeing Day to further provide focussed opportunities to raise awareness and understanding of physical and emotional health
- continue to provide a healthy environment for pupils to learn, to deal with competition and how to cope with winning and losing, to abide by rules, to experience as working as a team and to develop communication and cooperation skills
- celebrate learners' successes regularly and make sure they feel good about themselves as a result of their participation in PE and School Sport.

Expenditure	Amount
To support the running of a range of different sports clubs	£1000
To further enhance the role of Sports Leaders including working with a Sky Sports Ambassador	£500
Transport to competitions and festivals	£1000

Purchasing PE equipment	£1000
KS2 Health and Wellbeing day	£500
To provide focussed physical intervention programmes	£500
Extra-curricular coaching	£500
Student badges, awards, colours	£100
Extra-curricular trip to Kirkley Hall – outdoor Ed	£1000
Summer festival – external coaches for trampoline, football, hockey, cricket	£1000
TOTAL	£7100
