

PAn/MSa

24 September 2018

Dear Parent/Carer,

I am writing to you to invite you to attend an information evening in school (Acklington Road site) on **Wednesday 17<sup>th</sup> October, from 5pm – 6pm**, regarding our new alternative pathway curriculum in maths.

Your child has been identified as someone that will benefit from our new alternative pathway curriculum in maths. This will involve your child completing one of the below nationally recognised qualification this year:

- Y7 & 8 – AQA Entry Level Certification Mathematics
- Y9 – Edexcel Lvl 1 Number and Measure
- Y10 – Edexcel Lvl 2 Number and Measure

The aim of the information evening is to provide you with details of the courses, how your child will be assessed and to give you an opportunity to ask any questions. Please note, that this curriculum pathway is designed to support your child towards their GCSE maths exams in the future, not as a replacement.

Please could you return the electronic reply <https://bit.ly/2PVCkey> by Wednesday 10<sup>th</sup> October indicating your attendance.

Yours faithfully,

Mr. P Anderson  
Director of Maths
