

Cambridge Technical Level 3 IT Year Plan 2018 – 2020

These qualifications are made up of units which can feature in one or more of the qualifications in the IT suite. Learners don't have to achieve the units in any particular order but it's worth noting for the Extended Certificate that the content in **mandatory units 1, 2 and 3 underpin the learning in other units.**

Cambridge Technical Level 3 in IT – Year 12 (Equivalent to an AS level)

For this qualification learners must achieve two mandatory units.

Cambridge Technical Extended Level 3 in IT – Year 13(Equivalent to one A-level)

For this qualification, learners must achieve five units, three mandatory units and two optional units.
