September 2018

Dear Parent/Carer,

As I am sure you will be aware, schools are facing huge funding cuts. Classed as a group of subject areas where resources are consumable we are facing a huge issue.

In order to purchase the required resources for our students we are asking for the financial support of all parents and carers of students in Years 7, 8 & 9. Your voluntary contribution, together with the subject specialist teaching your child will receive, will ensure they do not only make fantastic progress but also have something tangible to take home, for example a beautiful piece of artwork or a product made in DT. We are not alone in this situation, as all schools are unfortunately in the same position.

Students will still be required to supply their ingredients for food practical lessons, just as before. The money will cover art, DT and graphics and we are asking for voluntary contributions of £10 to support the department and the progress of your child.

Voluntary contributions can be made in cash or on-line via School Gateway. Thank you in advance for your support with this matter.

Yours faithfully

Mrs R Brown
Director of Art and Design

Executive Headteacher: Neil Rodgers
