

AAv/JCr

1st October 2018

Dear Parent/Carer,

As part of our new GCSE Graphic Design course, it is essential that students collect primary images for use in graphics projects.

Our next graphics project will involve students searching for objects in the natural and manmade world that are shaped like the letters in their own names. In order to collect their findings, students will need to take primary photographs on either a camera or their mobile phones ready to edit in following lessons.

I would like to request permission for your son/daughter to attend a visit to Carlisle Park, Morpeth on Tuesday 9th October from 8:50am – 12.10pm. There will be a small cost of £2 to cover the cost of fuel for the mini bus.

This visit will take place when they already have a double graphics lesson scheduled, but it will also mean they are unable to attend the lesson they have timetable for period 3 that day.

Students will be back on site for lunch and so the correct uniform is still essential. Students are also expected to arrive and report to the main reception for 8:50am for a prompt departure to Morpeth. Students who arrive any later than 9am will not be able to attend.

Please complete the electronic consent form attached and there will also be a voluntary £2 fee that should be paid to Miss Avison directly no later than Friday 5th October.

Yours sincerely

Miss Avison
Second in Department, Art and Design.
