

Provider Access Policy Statement

Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide pupils in years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

What are pupils entitled to?

Pupils must be allowed to:

- Learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs pupils of the full range of education and training options available to them at each transition point.
- Hear from a range of local providers about the opportunities on offer, for example, technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- Understand how to apply to the full range of academic and technical courses available to them.

Who handles our access requests?

Any provider wishing to request access should contact David Nisbet, on 01665 710636.

What opportunities are provided to allow access to pupils?

Via our school careers programme, we offer providers numerous opportunities throughout the school year to speak to pupils and/or their parents. Our annual schedule of events is as follows:

	Autumn	Spring	Summer
Year 8		Interact session on apprenticeships	Interact session on university
Year 9		KS4 options evening	
Year 10		Interact session on apprenticeships	Interact session on university
Year 11	Assemblies about options post-16	Post 16 options evening	
Year 12			UCAS parental event
Year 13	Apprenticeship, college and University workshops		

Who should providers contact to discuss events and options?

Providers can speak to David Nisbet on 01665 710636, to discuss possible attendance at relevant events.

What can providers expect once a request has been accepted?

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our careers leader and a nominated member of the provider's team.

Can providers leave prospectuses for pupils to read?

Providers are welcome to leave a copy of their prospectus and other relevant course literature with the reception staff at either site.

Approval and review

This policy statement was approved by the governing board's teaching and learning committee and will be reviewed annually.
