29<sup>th</sup> November 2018

Dear Parent/Carer,

Last academic year, your child worked with their friends during break and lunchtimes to make a range of pompoms, which they then sold to their peers in school in order to raise money for a charity of their choice. As a result, they have raised a total of £61.30.

We would like to mark this achievement by inviting representatives from a local branch of the RSPCA into school to receive a cheque from the children on Friday 30 November 2018.

We would like to record the event with a photo shoot and to collect some comments from the children and wanted to share this exciting news with you.

I hope you agree that this is a wonderful achievement. The children have truly demonstrated aspects of Shelter, one of our JCSC guiding principles.

Yours faithfully
