November 2018

Dear Parent/Carer,

Thank you for attending our recent Sixth Form parents' evening, it was great to see so many of you there and provide feedback on how your son/daughter has settled into this academic year. It is apparent from the feedback from our parent voice and the many discussions I had throughout the evening that parents would like further information on the careers information that is available to your child.

Therefore, on Tuesday 20th November 5-5.30pm in the High School Library there will be an information evening for all parents that wish to learn further about the careers guidance process and the options available to your child once they have completed their Sixth Form studies with us. Within the presentation, I will discuss how you can best support your child through their University applications through UCAS, how to search and apply for apprenticeships, alongside how to review local employment opportunities.

This evening is primarily targeted for Year 13 students who are leaving Sixth Form at the end of this academic year however, parents from both year groups are welcome.

Should you require any further information, please do not hesitate to get in touch. I look forward to seeing you on 13th November.

Kind Regards

James Moore  
Head of Sixth Form  
James Calvert Spence College
