

DN/MS

21 December 2018

Dear parent and/or carer

Year 9 Options Evening

There will be a Year 9 parents' evening on Thursday, 17 January from 4pm-7pm at our Acklington Road site.

You will be able to speak to your child's teachers about their current performance as well as ask general questions about subjects in Year 10 and beyond.

Please use your child's planner to request a short meeting with their class teachers at the timings provided above.

There will also be a talk delivered by me in the library where I will introduce you to the options process for your child. You should allow 30 minutes to attend the presentation which will take place at 4:15pm, 5:00pm, 5:45pm and 6:30pm. Your child will be given the same talk in school so will not need to attend this talk. As well as discussing the options process, I will give a brief overview of the subjects available which are not currently offered to students in Year 9.

Your child will be given a copy of the options booklet and their report ahead of the parents' evening and it would be useful for you to bring both along.

If you have any access requirements (i.e., hearing impairment, please will you let us know).

I look forward to seeing you then.

Yours faithfully

DAVID NISBET
Head of School
