

4 February 2019

Dear parent/carer

## **Valentine's Disco: Thursday 14<sup>th</sup> February**

You may recall, as part of our "Twelve Days of Christmas" event, the students at South Avenue were set the challenge to place a festive chain right round the school within twenty minutes. Their reward for successfully doing this is a disco in school on 14 February. **It will take place in the hall after lunch until the end of the school day.**

Students are welcome to change into "disco gear" at lunchtime, especially as we will be awarding a special prize to the best "Disco Groover" - the person who looks the funkier on the dancefloor. We will also be awarding a "Too Cool for School" award to the best dancer that stays in school uniform. In other words, it is fine to dress up and it is just as fine to be in school uniform.

A small number of our students really don't enjoy discos. If this applies to your child, please encourage them to tell their form tutor or you can let us know via the planner. We need to know a day in advance so we can set up a film instead. I promise it will not be Saturday Night Fever.

We are also hoping to raise £100 for Cancer Research UK from the event. It would be great if your child could bring a 50p donation on the day.

Yours faithfully

MR D NISBET  
Head of School
