26 February 2019

Dear parent and/or carer

Duke of Edinburgh Silver Practice Expedition

This will take place from **Saturday 6 to Monday 8 April 2019**. Below is an outline of the 3-day expedition, which is a compulsory part of the training involved for students to achieve their D of E Silver Award. Students will be required to provide their own food for the expedition and will spend one of the training sessions, closer to the time, planning their group meals. Therefore, they will be able to inform you, closer to the expedition, of what they will need. All other expedition costs are included in your instalments.

Your child will require walking boots for this expedition. Sadly, we are not able to provide this kit, however, your child should have received a discount card to help with this cost. A full kit list and expedition itinerary is provided overleaf.

May I take this opportunity to remind you that the third and final instalment (£60) is required by Wednesday 27 March 2019, unless you are receiving funding to cover this cost.

Please complete the [electronic form](#) by Wednesday 27 February to confirm your child's attendance.

Yours faithfully

P ANDERSON
DofE Centre Manager
