Dear parent/carer

**An invitation to "Positively Mental: A Celebration of a Healthy Mind"  
Tuesday 2 April 2019, 4.15pm to 5.45pm**

Many of our students, especially those in Year 7, have been studying the topic of mental health, which has been incorporated into all of their usual lessons.

We are delighted to invite you to see the work they have produced. This will be on show throughout South Avenue and will include a variety of displays, conversation pieces, interactive activities, food events and live performances.

This is a celebration of the students' work and positive mental health and we do hope that you will be able to attend so you can appreciate and understand the work our students have put into this important topic.

If you need to know more, please do not hesitate to contact me.

I look forward to seeing you on 2 April.

Yours faithfully

MR D NISBET  
Head of School
