Dear Parent/ Carer

**Year 8 Lesson Delivered by School Nursing Team**

As part of our personal, social, health economic (PSHE) education programme, children in Year 8 receive a visit from the school nursing team to discuss healthy relationships, sexually transmitted infections and contraception advice.

The session is aimed at providing children with positive support and focuses upon healthy relationships to increase their understanding so they can make informed choices.

If you **DO NOT** wish your child to take part in this session, please email me at [enquiries@jcsc.co.uk](mailto:enquiries@jcsc.co.uk) no later than 9.00am on Friday 3<sup>rd</sup> May 2019.

If you have any questions please do not hesitate to contact me.

Yours faithfully
