Dear parent / carer

Sixth Form results day

As you know, grades have been submitted by the school for Sixth Form courses and are then standardised by the Department for Education. Results day is on **Thursday 13 August**, except for those getting GCSE resits, which can be collected at 1130 on Thursday 20 August.

We will be issuing Sixth Form results from 0800 and we will be there until 1200 to offer Year 13 advice as required about what to do next.

We will operate a one-way system in school and families are welcome to come along too. A limited number of people will be let in at any one time so you may have to wait on the yellow lines outside the door if the hall is busy. We would appreciate masks being worn by families but this is not essential. We will take contact details for "track and trace" when you first arrive.

You are welcome to take photos but please avoid getting others in the background.

In the event of a local or national lockdown, we will email results to school email addresses.

It will be great to see you all on 13 August. It seems a very long time since we last got together.

Yours faithfully

David Nisbet
Head of School
