CLASSWORK FOR ABSENT STUDENTS:

In the current situation we are required as a school to set work remotely for students who may be absent due to COVID-19. The instructions for this are being provided through Show my Homework. **If you child is in school they can ignore any tasks marked CLASSWORK** and focus on those which are marked HOMEWORK.

If you have forgotten log in details the overview of our school calendar can be viewed publicly. It will not contain as much detail, but will show when work has been set and is due for each subject.
