17 November 2020

Dear Parent / Carer

### **We want to know how you are doing**

As we reach the end of 2020, things do not seem to be changing much. Lockdowns come and go and the uncertainty continues. There may be times in the future that some of us need to isolate which is at best strange and at worst extremely stressful.

This is hard for everyone in our community and we are conscious that we are unable to have normal events where we meet parents and carers. For this reason, we will be phoning all the families of Year 7 to Year 11 students to find out how you are all doing and how we can offer further support. We will also ask you questions about how easy it is for your children to work at home.

The vast majority of these calls will be made on **Tuesday 24 November and Thursday 26 November between 1530 and 1900**. Don't worry if you miss the call – we will try again. If you know, you cannot take our call in advance or if your phone number has recently changed please let us know at [enquiries@jcsc.co.uk](mailto:enquiries@jcsc.co.uk). Some calls are already underway so if you have already had a chat with one of our team, you will not be called again next week.

Mr Moore will be contacting parents and carers of Year 13 later this term with our Year 6 team doing the same in early spring. Year 5 parents and carers have already received calls. You can contact us at any time though. We are always here.

We look forward to speaking to you soon.

Yours faithfully

David Nisbet  
Head of School
