MESSAGE FROM THE CHAIR OF GOVERNORS

Dear parents and carers

I am delighted to inform you that we have a new governor, Michelle Simpson, joining our governing body, who will replace Jenny Bewley as a parent governor.

Jenny's four year term has come to an end. During that time, she has worked hard to support the school in many areas, culminating in her being part of our Primary Focus team. Jenny has also belonged to the Behaviour, Safeguarding and Inclusion Committee (BSI) whose aim is to ensure that all our students have access to a safe and inclusive learning environment. We thank Jenny for her services to the school and know that she will continue to support JCSC as she continues to be a parent in the community.

Michelle has just taken up her post and beginning to learn all about school governance. I am sure she will be a valued member of our governing body.

Stephen Shanks is also a parent governor. He has already served a four year term and has chosen to continue for a second term. Stephen has gained a wealth of experience in being a school governor and we are grateful to him for agreeing to continue in this role. Stephen takes an active interest in the behaviour and attendance of our students and is currently the Chair of our BSI Committee.

We have also recently appointed a co-opted governor, Lawrence Fenley. Lawrence will bring an abundance of professional knowledge to our governing body due to the variety of experience he has gained in the private sector. We are very pleased that he had decided to join us.

We have vacancies on our governing body for co-opted governors (those who do not have children in our school). If you know somebody who would be interested in making a difference to school and education, please ask them to get in touch with our Clerk, Carole Hutchinson, who can provide further details. You can reach her on chutchinson01@jcsc.co.uk, or call the school on 01665 710636.

Best wishes

SUE CURRIE
