Dear Parents and Carers

Thank you for your support and feedback regarding our ongoing remote learning.

I am delighted to say that most of the study packs are now in homes or ready to collect by those that live near the school. It is a mammoth job to deliver them all so thanks to those in Amble for helping us out by collecting packs. It is fine if you still need a delivery though, just let us know. Please look after the books, as we need them back when everyone returns.
