Parental Forum

Dear Parents and Carers

We are setting up a parental group which will meet informally to get your views on a range of issues, especially when we are hoping to try new things in school. Meetings may be in school or more likely, by video call. You can opt in to as many or as few forums as you want and this is open to parents and carers of children currently attending school.

If you are interested in joining our invite list, please complete this form by Monday 1 November:

Parental Forum Joining Form

We are only able to accept requests to join using the form. If you would like us to fill the form in for you, please phone the school during the normal school day and one of our reception team will fill it in over the phone for you.

We look forward to hearing from you soon.

Yours faithfully

Mr David Nisbet
Head of School
