Dear parent / carer

## **Y6 mock SATs- 21<sup>st</sup> March to 24<sup>th</sup> March**

Your child is amazing. They have just completed four days of tests without a moment of complaint or upset - six tests in total.

As soon as we know the SATs results we will let you know but the overall score is less important than the students getting used to the process of exams and not finding them scary. If there was a SAT in determination and maturity the whole year group would score 100%.

Please give your child a huge hug on behalf of all of us.

Yours faithfully
