Dear parent / carer

Farewell from Mr David Nisbet

Those of you with older children in the school will know that I have worked at JCSC some time. There have been lots of happy times such as watching our young people grow up, seeing our results improve year on year and witnessing our students go on to do amazing things. There have also been challenges, particularly during the Covid years where your support to get the school back up and running was invaluable.

I'm rather sad to inform you that I will be leaving JCSC at the end of December to take up a new role as Principal of Unity City Academy in Middlesbrough. I will desperately miss the students and the community that have been so kind to me over the years. This is a great place to live and work and it's getting better all the time.

The parental forum will continue in 2023 but with a new host and of course, Mr Rodgers will still be here to look after everyone!

I wish you and your family every success and happiness in the future and thank you for making my job as Head of School so rewarding over the past seven years.

Yours sincerely

David Nisbet
Head of School
