28 April 2023

Dear Parents and Carers,

It has been lovey to see your children back in school after the Easter break. The summer term is always a busy one! As we start the new term, I would like to update you on some events that will be taking place over the next few weeks.

Next weekend is the King's coronation. To mark the occasion, we will have a coronation themed lunch and a "bake off". On the morning of the 5th May pupils are invited to bake a cake, pie or scones and bring them into school to be judged. The baking will then be cut up and sold to pupils in school at break and lunchtime. The money raised from the bake off will be used to buy a coronation tree from the woodland trust which will be dedicated to JCSC pupils; this will be a fitting tribute to the new King I am sure you will agree. Any left-over money raised will be to contribute towards end of year activities.

As I am sure you are aware there will be some changes to the JCSC site over the next few years. The first stage of the redevelopment will be the renovation of the South Avenue site. September will therefore be the first time for many years that JCSC students will not be taught at the South Avenue site. As part of our transition, we would like to invite all years 5 to 7 students to a leaving South Avenue celebration. The event will be held on the 6th July from 6pm- 7:30pm. The celebration will involve a disco, buffet and photo booth; all at no cost. To allow us to plan effectively can you please complete the form using this link to indicate whether you would like your child to attend. Unlike other discos we will need to close the booking on Friday the 23rd of June. An individual form must be completed for each child within the family home who wishes to attend. If you have not registered your attendance by this date your child will be unable to attend the celebration event.

Registration Form Link

As always if you have any questions, please do not hesitate to contact school.

Kind regards,

Jacqui Johnson
