22 September 2023

Dear Parents and Carers,

**James Calvert Spence College MacMillan Coffee Morning 2023**

We are excited to inform you about our JCSC MacMillan Coffee Morning.

Students in years 5-13 have the opportunity to take part in a fundraising charity event on **Friday 29th September**.

On the day, if they wish, our budding bakers are invited to bake and bring into school a cake, bake or pie to participate in our very own JCSC MacMillan Bake Off. An expert judging panel will choose the winners and award prizes. Cakes, bakes and pies will then be cut up and enjoyed for a small donation during our morning breaks and lunchtimes. Donations of bought cakes, bakes or pies for our stall are also very welcome.

If your child has a food allergy, we don't want them to miss out. You can either send appropriate food in or let us know and we will get something special.

Yours faithfully

**Mrs Jane Yuill**
