

26th October 2023

Dear Parents and Carers,

We are hosting a very exciting “Study Speed Dating” evening on Wednesday 15th November for Y6, Y11 and Y13. For Y6, the event will take place in Acklington Road Hall and will run from 4.30pm-6pm.

The aim of the evening is for students to collect a range of revision tips and advice in preparation for their exams and for parents/carers to feel informed about how they can support their child during the lead up to their child’s exams. We will be talking through maths and spelling, punctuation and grammar problems so you can more effectively support your child.

During the event, students will be given a free goodie bag full of resources to help them with their revision such as: a notebook, a pen, highlighter, post-it notes, sweets etc as well as an opportunity to collect information flyers from the stalls. There will also be a free raffle and refreshments for all who attend.

At the event, there will be a collection of revision stalls. Students and their parents/carers will visit a stall and gather information before being prompted to move to the next stall... until they have been to each one. Not only do we have stalls for revision tips, we also have stalls offering advice about student well-being and creating suitable learning environments.

This is an evening not to be missed and it really will make a difference to your child’s revision and success. We really hope you can attend and we would love students to attend too!

Mrs Johnson
