29<sup>th</sup> February 2024

Dear Parent / Carer,

**Next week** your Y7 child will be involved with our Super Learning Week, which will involve a wide range of creative activities based upon our theme of **The Mad Hatters Tea Party**. This exciting opportunity will mean that students will not follow their normal timetable but will instead enjoy different learning experiences.

Students have been mixed up into small working groups of no more than 18 students and will be working in this group all week, whilst each day moving around art, food, graphics, DT and performing arts.

Each morning Y7 will start the day with their form tutor for 15 minutes and then make their way to their allotted room for that day within Art and Design. The structure of the school day will not change, as students will have their breaks and lunches at their usual time.

If you could help out with providing any of the resources below, that would be a great help:

Clocks (broken or not)  
Old reading glasses  
Cards (birthday/Christmas etc)  
Playing cards  
Christmas decorations (baubles etc)  
Feathers  
Zips and buttons  
Old material (curtains, cushion covers etc)  
Unwanted costume jewellery  
Tea pots/ cups  
Bow ties  
Hats  
Old books  
Shoe laces  
Chains  
Scrabble and other board games  
Cardboard

Students should wear their JCSC PE kit on Monday-Thursday and on **Friday 8th March** we are holding our annual **World Book Day** event where we are once again inviting our students to dress as a word.

Examples are - sleepy, puzzled, sparkly, happy, robot, x-ray...
