28th May 2025

Dear Parent/Carer

UCAS fair and Northumbria University Academic Trips

Your child is invited to attend two academic trips to support their post 18 progression. For both trips students will be asked to make their own travel arrangements with clear meeting points and times. If students are struggling to make arrangements school can supply Arriva passes to support.

On Friday 13th June we have booked the students a slot at the national UCAS fair at the Utilita Arena 11.30-2pm. At this event students will be able to speak with universities from across the country alongside apprenticeship providers, providing a valuable research activity before students begin their UCAS applications. Students need to meet staff outside the entrance of the arena at 11am.

On Tuesday 24th June we will be visiting Northumbria University where students will have the opportunity to do a full campus tour and complete a range of University workshops to support their applications. Students will need to meet staff outside Sport Central at 9.30 in Newcastle. Students will be given a lunch voucher to spend on campus. The event will run until 2pm.

Yours sincerely

James Moore
Head of Sixth Form
