

ENGLISH

At James Calvert Spence College, we provide a broad, balanced and ambitious curriculum for all pupils. Our English curriculum builds upon the knowledge and skills pupils have developed in first school through a well-planned and sequenced curriculum. Our curriculum plans follow the National Curriculum as well as drawing upon best practice within the field of English. We draw on evidence-based research to ensure our curriculum is high quality and meets the needs of our pupils. We provide regular opportunities to revisit learning, so it becomes embedded in our pupils' long-term memory. The overview of our plan is below

Assessments are provided in line with the school's assessment schedule and written feedback is calendared for pupils. In Key Stage 4 we provide fortnightly assessment pieces. In addition to this, we provide live feedback as described below.
