Dear Parents/ Carers,

I am writing with some very sad news. Wendy Young from our main school reception died on Friday last week. Wendy has been a significant part of the school family for a very long time, and families and colleagues have many stories of her kindness and humour. She was a very popular member of the community and we are all still coming to terms with her sudden loss.

I am sure that you will join me in sending thoughts and condolences to Wendy's family. Although many people are already aware of Wendy's passing, we are carefully and sensitively sharing the news with the young people this week, mindful of the impact that this may have and ensuring that support will be available.

Yours faithfully,

Mr James Andriot
